A screenshot of a web dashboard. On the left is a dark sidebar with a "Launch" header and several menu items: "Communication", "Curriculum Links", "Custom", "Files and Apps", "G Suite for Education", "Online Learning", and "System Utilities". At the bottom of the sidebar is the "MY-SCHOOL" logo. The main content area is light gray and displays three app tiles: "Google Calendar" with a calendar icon and "31" on it, "Google Drive" with its triangular icon, and "Google Classroom" with its person icon. Each tile has a blue "Launch App" button below it. A red arrow points from a text box at the bottom to the "Launch App" button for Google Classroom.
