WELCOME

Welcome to our **Sixth Form** at **Abbey Community College**. I hope you enjoy reading this prospectus and gain an insight into the excellent opportunities available to our students.

All of the courses on offer are designed to link with the future aspirations of our students and to our ever changing society and economy.

At Sixth Form, our College motto 'Believe, Achieve, Succeed' continues to be at the heart of all we do and promotes:

- Success for All
- The opportunity for every student to fulfil their potential
- The development of self-confidence, independence, team-work, leadership and communication skills to support their studies and for the future
- A variety of enrichment activities which enhance the curriculum and ensures that students are well prepared for University, Further Education or employment in this ever changing world.

I look forward to you joining us.

Maria Quinn

Principal

BELIEVE

ACHIEVE

SUCCEED

MISSION STATEMENT

Our shared vision for **Abbey Community College** is to work together to build positive relationships and attitudes in a safe and secure environment, where every individual is valued, respected, cared for, supported and encouraged to achieve their full potential.

SIXTH FORM AIMS

At **Abbey Community College** we aim to offer:

- A wide range of Level 3 courses including AS/A2, Applied A Levels and BTEC courses.
- Supervised study to enable students to work quietly and with access to ICT.
- A Head of Sixth Form and dedicated Class Tutor to provide support and guidance.
- Careers lessons to support with UCAS, advice and guidance on Further Education and future career pathways.
- A tracking and monitoring system which ensures students are supported in fulfilling their potential.
- Regular communication with Parents/Guardians regarding student progress.
- A range of opportunities including an Enrichment Programme, Student Leadership, Business Links, Student Mentoring and much more.

UNIFORM

As ambassadors for **Abbey Community College** all students are expected to take pride in their personal appearance by wearing the correct school uniform at all times and complying with all aspects of the College Uniform Policy.

STUDENT LEADERSHIP

HEAD BOY AND HEAD GIRL

Prefects are chosen from Sixth Form based on their conduct, work ethic and contribution to school life. From within the Prefects in Year 14 a Head Boy, Head Girl, Deputy Head Boy and Deputy Head Girl are selected. They are significant role models for others and play a major part in school events.

LEWIS HILL HEAD BOY

'I put myself forward for the role of Head Boy as I wanted to give back to the school and inspire the younger students. I am proud of how far I have come during my time here. When I started in Year 8, I was a very shy student and kept myself to myself. Now, with the help and guidance of my teachers, I have grown in confidence and developed as an individual. This allows me to talk to people, represent the school and deliver speeches at school events, things I would never have thought of when I started in Year 8.

The role of Head Boy is an extremely rewarding one, which gave me the opportunity to get involved in programmes such as mentoring, charity fundraising and organising school events. The experience I have gained is invaluable, and I am looking forward to the many more amazing opportunities that I know will be provided through my position.'

I am grateful to be surrounded by teachers that embrace the school's motto of Believe, Achieve, Succeed.'

ALEX DOWNING HEAD GIRL

'I applied for the Head Girl role in Abbey Community College as I felt it would give me the opportunity to demonstrate the skills and qualities I had to offer in a position like this. In Year 12, coming back to Sixth Form was never a consideration for me, but halfway through the year I decided to work even harder for my exams and really show what I was capable of. I achieved my goal and returned to school to continue my studies.

Since becoming Head Girl my confidence has developed greatly and I am proud to be a positive role model for students. I enjoy helping and motivating others to 'Believe, Achieve and Succeed'.

The responsibilities I have as Head Girl include chairing the Sixth Form Formal Committee, organising fundraisers, representing the school at different events and public speaking.

I take pride in my role as Head Girl and appreciate the challenges and opportunities it has given me. I enjoy helping other students in school and will take the skills I have developed in this role with me into my future career.'

STUDENT COUNCIL

Student Council plays a key role in Abbey Community College. It is led by ten Sixth Form students. They help to run elections for the rest of the school and are assigned a year group to represent. The Sixth Form students help set an agenda for Student Council meetings and are responsible for the communication of the outcomes to the relevant people including the Principal and Senior Leadership Team.

PREFECTS

Prefects are chosen from Sixth Form based on their conduct, work ethic and contribution to school life. They take on different responsibilities to help support students and staff and play an active role in key events such as Open Evening and Parent Teacher Interviews.

MENTORING

Through our Mentoring Scheme, Sixth Form students mentor Year 8 students. They work with students weekly in class tutor groups and fortnightly in Literacy and Numeracy lessons. Year 13 Students have the opportunity to become Anti-Bullying Ambassadors which is sponsored by The Diana Award.

LEADERSHIP EVENTS

The Sixth Form Leadership Team and elected Sixth Form Students facilitate the Student Council Elections.

Throughout the academic year they host a range of events for the College community.

These include:

- Fundraisers for their chosen charity
- Christmas Dinner & Christmas Nativity
- Children In Need Fun Afternoon
- Valentine's Roses Delivery Service
- Year 14 Formal

CAREERS

What Career is for you?

#Fun

ENRICHMENT

Sixth Form is not just about gaining qualifications but also provides an opportunity for students to develop skills that will help equip them for the next stage in life whether that means:

- Going to University
- Joining a Further Education College
- Entering employment

Enrichment Available

- Holiday Spanish
- Survival Cooking
- GCSE Maths & English Resit Support
- Games
- Peer Mentoring
- Student Council
- Personal Development Course
- International Camp Counsellor

Coming together is a beginning; keeping together is progress; working together is success.

CAREERS EDUCATION & WORK EXPERIENCE

Careers Education, Information and Guidance (CEIAG) is a central component throughout all years at Abbey Community College. In Sixth Form students continue to have careers education.

The primary aim in careers is to assist students to know themselves better, to be aware of education, training, labour demands (LMI), career opportunities and to make the transition from school to an ever-changing working economy. Careers Education is embedded in the teaching of every subject.

Careers lessons put great emphasis on getting students prepared for the next stage of their educational journey or the start of their chosen career path. Students receive individual support so they can make the decision that is right for them. All students have a link teacher to assist them with University and Further Education applications and preparation for the transition to employment or training. Career interviews take place with the career's staff and the DfE Officer.

The Careers Department have excellent relationships with local Employers, Universities, Further and Higher Education Colleges so that students benefit from expert advice; many visit the college to give presentations which assist the students in making informed decisions for their future.

Students engage in Career Conventions with ambassadors from the world of work and avail of many opportunities to attend annual Open Days in local and national Universities. In Year 13 students are able to experience the world of work for one week in a career area that is of interest to them.

The Careers Suite has up to date information to guide students about their future career paths. Students have continual access to up-to-date careers information, the use of careers software and various opportunities both locally and beyond.

SUPPORTING LEARNING

As an inclusive, caring and child centred school, Abbey Community College enhances and supports the personal, social and academic development of each individual student in all aspects of college life. All staff play an important role, both within and beyond the classroom, ensuring that all students are given every opportunity to reach their full potential regardless of ability or background.

An induction programme for Sixth Form students before they begin in September, eases the transition from Year 12 and gives them the opportunity to build new friendships and develop their communication and team-work skills.

This continues through enrichment activities and Class Tutor time. Each student has a Class Tutor who meets them daily and is the first point of contact for parents. The Head of Sixth Form monitors and supports all aspects of student progress and development.

We value the relationship between Parents and Guardians and encourage both formal and informal contact should the need arise.

EDUCATION MAINTENANCE ALLOWANCE (EMA)

Education Maintenance Allowance is a weekly allowance of up to £30 to help 16, 17, 18 and 19 year olds with the costs of further education. It is a Government run scheme and is based on household income.

SAFEGUARDING

All members of Abbey Community College, students, staff and parents have a key role to play in the safeguarding of our students. A senior member of staff, Mrs F Cromie is the Designated Teacher responsible for Child Protection. She is supported by three Deputy Designated Teachers, Mr D Laney, Mr S Smyth and Mrs C McNaghten and the Principal, Mrs M Quinn.

VISITING **PRAGUE**

VISITING **STORMONT**

VISITING **CULLODEN HOTEL**

VISITING **UNIVERSITY ROADSHOW**

TRIPS & VISITS

A variety of trips and visits are organised by staff throughout the year to support key aspects of learning and create opportunities for students to have new experiences and enhance their personal development.

STUDENT DESTINATIONS

In 2019, a significant number of our Year 14 students secured places on a range of undergraduate courses such as Criminology & Criminal Justice, Early Childhood Studies, Sport, Business, Criminology with Forensic Investigation, International Hospitality Management, Creative Media, Art & Design and Media Production. They began their studies at various Higher Education institutions such as Queen's University, Ulster University, Liverpool John Moores, University of Cumbria, University of Brighton and Stranmillis University College.

Others progressed to a variety of Further Education courses at Belfast Metropolitan College, Northern Regional College, took up training opportunities or made the transition directly into employment in their chosen field.

INTERNATIONAL DIMENSION

Over the past four years a particularly exciting development is the unique opportunity for Sixth Form students at Abbey Community College to apply for a summer placement working as a Camp Counsellor on a residential camp in the USA. This gives our young people a fantastic experience of a lifetime, to live abroad, meet new friends and develop their leadership, communication and organisational skills.

#campUSA

#chenawanda

ENTRANCE CRITERIA

To ensure that students return to Post - 16 education with the adequate level of academic performance at Key Stage 4, the basic minimum entry requirements for Level 3 are:

- GCSE English and Maths at Grade C or above (in exceptional circumstances a student with a D grade in one of the two subjects may be considered with an assurance of a re-sit course in that subject)
- A minimum points loading of 25, where:

Grade	Points	Points
A*	Distinction*	9
A	Distinction	8
B	Merit	7
C*		6
C	Pass	5
D		4
E		3
F		2
G		1

Where students have met the minimum entrance requirements, they must choose at least 3 appropriate courses. Prior to enrolment on a course:

- the student must meet with the relevant Head of Department and the relevant pastoral staff to ensure that he/she is fully informed regarding the demands and suitability of the course.
- Each Head of Department must agree to accept the student for enrolment on that course. (Students should be aware that there may be additional departmental criteria.)
- Pastoral staff will consider previous attendance and school engagement on the part of the student.

SUBJECT CHOICES

ART & DESIGN

SUBJECT DETAILS

Art and Design has been designed to provide engaging and innovative creative learning experiences. The specification encourages creativity, sustained investigation and analysis as well as experimentation, design and making as a means of developing technical and expressive skills. It gives learners the opportunity to follow a programme of study which extends experience and personal response as well as developing imagination and critical and reflective thinking.

ASSESSMENT STRUCTURE

AS Unit 1 Personal Creative Enquiry
Non - exam Assessment
40% of qualification

A2 Unit 2 Personal Investigation
Non - exam Assessment
36% of qualification

A2 Unit 3 Externally Set Assignment
24% of qualification

GRADES AVAILABLE

GCE AS Grades: A B C D E

GCE A Level Grades: A* A B C D E

CROSS CURRICULAR LINKS

The skills developed in this subject may be shared with:

- English
- Technology and Design
- ICT

PROGRESSION OPPORTUNITIES

This course provides opportunities to study Art and Design at a more advanced level. Students may choose to attend a Further Education College or Art College. This could lead students on to complete a degree in Fine Art, Graphics, Photography, Textiles, Digital media etc. Post graduate opportunities would then be available upon completion of degree.

SIXTH FORM 2020

CAREER OPPORTUNITIES

The AS/A Level in Art and Design is highly respected by employers. AS/A Level Art provides an indepth study of Art and Design, developing and progressing the creative variety of skills needed to enter employment. The pathways could include creative Art and Design area including Graphic design, Fashion, Furniture design, Interior design, Architecture, Hairdressing and many other jobs where creativity is key.

WHY CHOOSE THIS SUBJECT?

This is an exciting programme of study which will build upon your skills gained at GCSE Level. The skills you will continue to develop at AS/A Level Art and Design are very dynamic and cover a wide range of career opportunities. It will enable you to be more aware of your visual surroundings and your world. Art and Design increases your awareness and creative outlook.

BUSINESS

SUBJECT DETAILS

This qualification aims to provide students with an in depth understanding of the operations and structures of business and also equip them with the skills required to succeed in employment or at university. It will give you an excellent understanding of business practice and a broad knowledge of business-related skills. It is a vocational course which means it is based on practical content and real experiences of the business world.

ASSESSMENT STRUCTURE

Mandatory Units (10 credits each)

1. The Business Environment
2. Introduction to Marketing
3. Business Resources
4. Business Communication

Optional Units (10 credits each)

13. Recruitment and Selection
29. Understanding Retail

100% Coursework

GRADES AVAILABLE

This qualification is graded Distinction*, Distinction, Merit, Pass or Fail.

CROSS CURRICULAR LINKS

The transferable skills that universities value including:

- the ability to learn independently
- the ability to research actively and methodically
- effective writing
- analytical skills
- creative development
- preparation for assessment methods

PROGRESSION OPPORTUNITIES

Completion of this course will prepare students for employment or suitably equip them with the skills and knowledge necessary to embark on a variety of HND and Degree level courses.

SIXTH FORM 2020

CAREER OPPORTUNITIES

Most students leaving education will take up employment in a business organisation and this qualification provides a solid foundation in a range of areas. Students can pursue careers in the following areas: Human Resources, Sales and Marketing, Finance, and Accounts, Customer Service, Management, Banking, Law, Retail, Administration, Civil Service and many more.

WHY CHOOSE THIS SUBJECT?

The UK economy is one of the largest in the world employing 29.7 million people. The CBI's education and skills survey revealed management, business and customer awareness as key attributes employers look for in potential employees and there are many opportunities for those with a sound business understanding. This qualification provides a highly respected route for someone wishing to move into the sector, either directly or following further study.

ENGLISH LITERATURE

SUBJECT DETAILS

This specification enables students to explore a wide range of literary texts written by authors from around the world. Students read classical texts alongside those of more modern writers. They learn about different critical approaches and how texts can reflect cultural meanings. Students also develop the skills of critical thinking, research and analysis, all of which are valued in further education as well as in the workplace.

ASSESSMENT STRUCTURE

Unit AS 1: The Study of Poetry

1900–Present and Drama 1900–Present

Unit AS 2: The Study of Prose Pre 1900

Unit A2 1: Shakespearean Genres

Unit A2 2: The Study of Poetry Pre 1900 and Unseen Poetry

Unit A2 3: Internal Assessment – Dystopian fiction comparative study

The course is assessed through a combination of external examination (25%) and internal unit assessment (75%). Internally completed units are moderated by the exam board.

GRADES AVAILABLE

GCE AS Grades: A B C D E

GCE A Level Grades: A* A B C D E

CROSS CURRICULAR LINKS

This subject is strongly linked to such subject areas as History, LLW, RE as well as developing critical thinking skills which benefit all subject areas.

PROGRESSION OPPORTUNITIES

Students who have completed A Level English Literature have moved on to study at University.

SIXTH FORM 2020

CAREER OPPORTUNITIES

With A Level English Literature, you could go into the media industry which includes print, online, TV and radio. Journalism or publishing are other options to pursue, for example, you could be an editorial assistant. A job in advertising and PR is also available with A Level English Literature, such as a public relations officer or a press officer. Teaching is another profession open to you or with further study, you could go into law, business, social work or politics.

WHY CHOOSE THIS SUBJECT?

A level English Literature broadens your horizons and opens your mind to new perspectives and ideas. It allows you to construct well supported arguments and appreciate alternative interpretations of texts. The coursework element allows for independent study, wider reading and a sense of personal achievement. If you enjoy reading a wide range of literature and analysing associated ideas and issues then this will be an ideal course for you.

HEALTH & SOCIAL CARE

SUBJECT DETAILS

This qualification in Health and Social Care is for students who are interested in learning about the health and social care sector as part of a balanced study programme. It is equivalent to one A Level. The qualification supports access to a range of higher education courses in health and social care, if taken alongside further Level 3 qualifications. The qualification typically makes up one-third of a study programme.

ASSESSMENT STRUCTURE

The course includes two externally assessed exams (units 1 and 2) and two internally assessed coursework assignments (units 5 and 14).

GRADES AVAILABLE

This qualification is graded Distinction*, Distinction, Merit, Pass or Fail.

CROSS CURRICULAR LINKS

The skills developed in this subject may be shared with:

- Science
- PE
- Public Services
- Child Care

PROGRESSION OPPORTUNITIES

This subject will enable learners to progress to a degree programme.

It can be taken alongside, for example:

- A Levels in Biology, which could lead to a BSc (Hons) in Nursing
- a BTEC National Diploma in Children's Play, Learning and Development, which could lead to a BSc (Hons) in Social Work
- a BTEC National Extended Certificate in Sport, which could lead to a Foundation Degree in Sports Studies and Development.

SIXTH FORM 2020

CAREER OPPORTUNITIES

There are a number of career pathways that can be pursued on completion of this course:

Medical pathways e.g. Nursing, Physiotherapy, Speech and Language Therapy

Medical Technology e.g. Microbiologist, Radiographer, Optometrist

Social Services e.g. Social Worker, Community Development Worker and Childminder.

WHY CHOOSE THIS SUBJECT?

The course provides transferable knowledge and skills that prepare learners for progression to university including the ability to learn independently, the ability to research methodically and to give presentations.

Students can also benefit from opportunities for deep learning where they are able to make connections between units and can develop the knowledge and skills required for degree courses, including reading technical texts, effective writing and analytical skills.

ICT

SUBJECT DETAILS

Cambridge Technicals are vocational qualifications that are designed to give a work focused alternative to A Levels. This ICT qualification consists of a wide range of units such as installing hardware, creating a website, identifying an IT fault, computer animation and eCommerce. It is an ideal foundation for students entering the workplace or university. This course provides students with a theoretical understanding which is underpinned with the practical skills that are developed through each unit.

ASSESSMENT STRUCTURE

This course comprises of six units, two of which are mandatory and four of which are assessed externally.

Unit 1: Communication & Employability Skills for IT

Unit 2: Information Systems

Unit 19: Spreadsheet Modelling

Unit 22: IT Systems Troubleshooting & Repair

Unit 23: Database Design

Unit 43: Understanding Social Media for Business

GRADES AVAILABLE

This qualification is graded Distinction*, Distinction, Merit, Pass or Fail.

CROSS CURRICULAR LINKS

The skills developed in this subject may be shared with:

- Business Studies
- Technology and Design

PROGRESSION OPPORTUNITIES

This qualification provides an opportunity to progress to a degree in an Information Technology discipline or a degree where information technology related skills and knowledge may be advantageous.

SIXTH FORM 2020

CAREER OPPORTUNITIES

This qualification develops knowledge and skills needed for entry-level roles related to IT, including vocational apprenticeship roles and trainee/entry-level roles such as a social media specialist, web/content developer, or business analyst. Employment opportunities include Computer Technician, IT, Computer Design, Electronics and Engineering.

WHY CHOOSE THIS SUBJECT?

In today's technological world, IT is an important and worthwhile qualification. No matter what you decide to do when you leave school, the chances are you will end up working with IT. This qualification will help you to understand more about how and why ICT operates in the way it does. It provides a practical based learning programme, using a range of industry standard software. The aim is that you will become an effective, discerning IT user and that you will extend your knowledge and skills in the use of information technology and computers.

PUBLIC SERVICES

SUBJECT DETAILS

This 2-year course is designed to prepare you for employment in the public services, such as the fire service, police, armed forces or related civilian occupations or for entry to university. It is equivalent to one GCE A Level. The BTEC Level 3 Subsidiary Diploma offers an engaging programme for those who are clear about the area of employment that they wish to enter.

ASSESSMENT STRUCTURE

Unit 1 Government, policies and the public services

Unit 2 Leadership and teamwork in the public services

Unit 3 Citizenship, diversity and the public services

Unit 5 Physical preparation, health and lifestyle for the public services

Unit 12 Crime and its effects on society

100% coursework.

GRADES AVAILABLE

This qualification is graded Distinction*, Distinction, Merit, Pass or Fail.

CROSS CURRICULAR LINKS

The skills developed in this subject may be shared with:

- Communication, ICT, Personal skills and Team working skills.
- Elements of Sport, Biology, Politics, Business, and PSHE

PROGRESSION OPPORTUNITIES

This qualification provides an opportunity for progression on to Diploma/Extended Diploma in Public Services. In addition to this, you will be well prepared for employment in the Public Services sector.;

SIXTH FORM 2020

CAREER OPPORTUNITIES

The public sector is a huge employer. Hundreds of different organisations make up this sector with thousands of job roles. This course provides many career opportunities in any of the following:

- Police Service, Fire and Rescue Service
- Prison Service
- HM Coastguard
- Royal Navy
- Royal Air Force
- Army
- National Health Service
- Ambulance Service
- Probation Service
- Social Service
- Education Service
- Local Government

WHY CHOOSE THIS SUBJECT?

This is an interesting relevant subject which is easy to research as its elements are part of every day life! The qualification will help enhance the skills you already have and develop others that are valuable to the workplace.

CCEA AS & A LEVEL (SINGLE AWARD)

LIFE & HEALTH SCIENCE

SUBJECT DETAILS

This course is aimed at students who have a keen interest in science, including in further study and research. You will learn how society makes decisions about science and how the sciences contribute to the success of the economy and society. You will also develop competence in a range of practical and problem solving skills. In addition to this, you will demonstrate an appreciation of the skills, knowledge and understanding of how science works.

ASSESSMENT STRUCTURE

AS Level Topics:

- Unit AS 1: Experimental Techniques;
- Unit AS 2: Human Body Systems;
- Unit AS 3: Aspects of Physical Chemistry in Industrial Processes.

A2 Level Topics:

- Unit A2 1: Scientific Method, Investigation, Analysis and Evaluation
- Unit A2 2: Organic Chemistry plus one other optional unit

GRADES AVAILABLE

GCE AS Grades: A B C D E

GCE A Level Grades: A* A B C D E

CROSS CURRICULAR LINKS

The skills developed in this subject may be shared with:

- ICT
- Health & Social Care
- English
- Sports Studies

PROGRESSION OPPORTUNITIES

Students should be eligible for courses at university that require one Science A-Level.

SIXTH FORM 2020

CAREER OPPORTUNITIES

Possible careers available after studying A Level in Life and Health Science may include Nursing, Engineering, Laboratory Technician, Forensic Scientist, Drug Researcher and many more.

WHY CHOOSE THIS SUBJECT?

Huge numbers are employed in the Scientific sector. This has been forecast to rise by over 15000 in the next 10 years. Currently there are 130000 people employed in the Health sector. This will also increase.

The L&HS sector is one of NI's most important sectors. The sector combines all elements of Science and Technology that contribute to the discovery and development of products for the health of humans and animals. Key fields in the L&HS sector include biology, biomedical, pharmacy and optometry.

SPORT

SUBJECT DETAILS

This Sport qualification is a 2-year vocational course and is equivalent to one A Level. It is important to realise that written assignments form the vast majority of the course. You will learn by completing projects and assignments and will focus on a particular subject area related to Sport.

ASSESSMENT STRUCTURE

The course covers seven units over two years. The assessment for the course is 100% coursework.

Units studied at ACC are:

- Principles of Anatomy and Physiology in sport
- The Physiology of Fitness
- Assessing Risk in Sport
- Fitness Testing for Sport and Exercise
- Sports Coaching
- Practical Team Sports
- Exercise, Health and lifestyle

GRADES AVAILABLE

This qualification is graded Distinction*, Distinction, Merit, Pass or Fail.

CROSS CURRICULAR LINKS

Skills developed link to the subjects of English, Business Studies and ICT. In addition, the subject will also contribute to development of the student's thinking skills and personal capabilities.

PROGRESSION OPPORTUNITIES

This qualification is for learners 16 years old or over who want to study sport, leisure or fitness.

This qualification is not just about being able to play sport, it will provide learners with the skills, knowledge and understanding to progress into Higher Education on a sport-related programme such as Sport and Physical Education, Sport Science, Sport Coaching and Development or Sport and Leisure Management.

SIXTH FORM 2020

CAREER OPPORTUNITIES

Sport in Northern Ireland is rapidly growing as a result of recent global sports events taking place in Northern Ireland such as the Open Golf Championship. The leisure industry has boomed due to many of the population becoming passionate about health and fitness. As a result this has opened up a vast array of career opportunities in the sport and leisure industry. Opportunities currently for young people include: PE teaching, sports management, personal training, event management, physiotherapy and sports coaching.

WHY CHOOSE THIS SUBJECT?

Are you the type of student who is enthusiastic about all areas of sport? Are you interested in the health and leisure industry? If you are a person who is fully committed to achieve, then this will be the course for you - provided you have a good command of written English demonstrated by a grade C or above at GCSE.

It is desirable that you have successfully completed BTEC L2 Sport. This will help your understanding of the theoretical component of the course. This subject could be a launch pad to a future working in Sport.

TRAVEL & TOURISM

SUBJECT DETAILS

This qualification is equivalent to one GCE A Level, it has been developed in the Travel and Tourism sector to provide education and training for Travel and Tourism employees and give students the opportunity to enter employment in the Travel and Tourism sector or to progress to further qualifications. You will have the opportunity to develop the range of skills, techniques, personal skills and attributes essential for successful performance in working life.

ASSESSMENT STRUCTURE

Mandatory Units

- Unit 1 Investigating the Travel and Tourism Sector
- Unit 2 The Business of Travel and Tourism
- Unit 3 The UK as a Destination
- Unit 4 Customer Service in Travel and Tourism

Optional Units

- Unit 7 European Destinations
- Unit 8 Long-haul Travel Destinations

100% Coursework

GRADES AVAILABLE

This qualification is graded Distinction*, Distinction, Merit, Pass or Fail.

CROSS CURRICULAR LINKS

Skills developed link to the subjects of English, Mathematics, Business Studies, ICT, Geography while contributing much to the development of the student's thinking skills and personal capabilities.

PROGRESSION OPPORTUNITIES

This qualification gives learners the knowledge, understanding and required for employment and provides progression opportunities to higher education and degree programmes, within universities and other institutions

SIXTH FORM 2020

CAREER OPPORTUNITIES

The Travel and Tourism sector continues to grow at a rapid pace within Northern Ireland, with the amount of travel undertaken by individuals for both leisure and business purposes continuing to increase.

An expansion in the short-break market has led to a growth of regional airports in the UK and across Europe and a rise in the number of new hospitality enterprises including health spas and boutique hotels. This rapid expansion has led to huge demand for a more flexibly skilled workforce.

WHY CHOOSE THIS SUBJECT?

This qualification encourages the acquisition and development of competencies including customer service skills, destination geography and business skills that are required for employment in the Travel and Tourism industry. Our past students have enjoyed enormous success with this qualification and many have gone on to degree studies in the Travel and Tourism field, or directly into employment in this area.
