## How to See a Teacher/Principal

We have an Open Door policy and Parents/Guardians are welcome to call in during the school day. Please be aware that if a teacher is in class it will not be possible for him/her to see you at that time. An appointment can be made by calling at reception or by telephoning and will usually be available within 24 hours, but it is helpful to give a few days notice. Mrs Quinn, Mr Laney or the Heads of School will be happy to see you at any time if they are available.

## To Speak on the Telephone to the Principal or a Teacher

Often queries can be dealt with by one of the office staff as teachers cannot take calls whilst they are teaching. The office staff will try to connect you to the member of staff or take a message for the teacher to call you back. Mrs Quinn is happy to speak to Parents/Guardians during the school day. If she isn't available, please leave a message and she will get back to you.

## Dental, Medical, Hospital & Other Appointments

If a student has an appointment for any of the above, the Parent/Guardian should provide the student with a note which they should show to their Head of Year. The student planner may be used for this. In order to reduce the impact of these appointments on learning, please return your child to school if possible, so that a full day is not missed.

## Requests made during School Hours for a Student to be released

We will do our best to facilitate a Parent/Guardian request for a student to be released without prior notice being given. Be aware that this may take time and the more notice you can give the better. If this request is made by telephone you will be asked to verify your child's details for Child Protection/Safeguarding reasons.

## Forgotten PE Kit, Books, Coursework, Dinner Money

At particular times of day it can be difficult to contact children, i.e. during PE when they

may be out of the school building, or during lunch, etc. Students will need to take responsibility for collecting such items themselves.

### **Telephone Calls**

Students only have access to telephones in the event of an emergency. If a student needs to make a call they should first see their Head of Year who will deal with the request. It would be appreciated if you would avoid making non-emergency calls to mobile phones during the school day as this disrupts your child's learning and that of others.

### **Emergency Contact Numbers**

Please let us know when you change address, email or telephone number – students can bring a note or call at reception. It is vital that we can contact you in an emergency.

### **Visitors**

When visiting the College, parents/guardians and visitors must (for Child Protection, Security and Health and Safety purposes):

- Park in the main school car park at the side of the building.
- Report to Reception on arrival explaining the nature of your visit.
- The Receptionist will be able to help you with general enquiries.
- Sign the Visitors' Book & wear a visitor's badge if you are in the school building.
- If you wish to see a member of staff, an appointment will be made for you.
- In an emergency you will be seen as soon as possible by the Principal, Deputy Principal, Head of Senior or Junior School.
- All visitors must be accompanied by a member of staff at all times.

### **Car Parking**

- Please use the main school car park to the side of the main school building.
- Please observe the ONE WAY traffic system in operation there is no exit on to Bridge Road.
- There are designated Disabled & Taxi spaces at the front of the building and more in the main school car park at the side of the building.
- The area to the front of the school is for Pick Up and Drop Off ONLY. You are NOT permitted to park here at any time. This area is very busy at the end of each day.

# FRIENDS OF ABBEY

The aim of the Friends of Abbey is to create a forum for parent consultation and involvement in school life. The experiences of our students can also be enhanced by holding various fundraising events throughout the school year. These could range from discos to talent shows, sales and quizzes. Not only do students have a great time at these events but they also help us to raise money which can be used to pay for things outside the normal school budget. Examples of this include bursaries for students and support for Prize Giving. All money raised goes towards supporting educational experiences for all students.

We encourage you to get involved by supporting the activities of the Friends of Abbey, through the group you can help the school and your child. Meetings are usually scheduled in the evenings. If you wish to get involved please leave your name with the office staff.

## SCHOOL FUND

The school would appreciate an annual voluntary contribution of £12 for the first child or £20 for 2 children or £25 for families with 3 or more children in the school. This enables us to provide additional resources and experiences for our student

## ATTENDANCE

When a child of a compulsory school age is registered at a school it is essential that they attend regularly and maintain a pattern of good attendance throughout their school career. Excellent attendance at school is important to allow a child or young person to fulfil their potential.

Young people who regularly miss school without good reason are more likely at risk of becoming isolated from their friends, underachieving in examinations and/or become involved in anti-social behaviour.

## HOW PARENTS CAN HELP

- Establish a good routine in the mornings and evenings so your child is prepared for the school day ahead.
- Make sure your child goes to school regularly and follows the school rules.
- Ensure your child arrives at school on time.
- Arrange dental and medical appointments outside of school hours when possible.
- Always inform the school if your child is absent due to illness – this should be followed up with a written note when your child returns to school.
- Talk to your child about school and take an interest in their school work (including homework).
- Attend Parent Evenings and school events. Praise and reward your child's achievements at school.
- Take truancy seriously – if your child is not attending school as you expect, they may be putting themselves at risk – Who are they with? What are they doing?
- Always support school staff in their efforts to manage difficult or challenging behaviour.
- Discuss any problems or difficulties with the school staff. We are here to help and will be supportive.

## FAMILY HOLIDAYS

You can demonstrate your commitment to your child's education by not taking holidays during term time. Any child or young person who is absent from school due to a holiday will miss out on important learning and fall behind with their school work.

In each Academic Year there are only a maximum of 190 school days – this allows plenty

of time for holidays to be arranged outside term time. Holidays taken during term time will be categorised as an unauthorised absence.

# PERCENTAGES

Attendance percentages can be misleading but key points are highlighted below:

100% = 0 days missed - Excellent

95% = 9 days missed - Satisfactory

90% = 19 days missed - Poor

85% = 28 days missed – Unsatisfactory (student will be referred to Education Welfare Service when their attendance is below 85%)

80% = 38 days missed - Unsatisfactory

75% = 46 days missed – Unsatisfactory

# SUPPORTING LEARNING

Our child centred approach ensures that all students have the opportunity to be both challenged and supported to achieve their full potential during their seven years at Abbey Community College.

Should the need arise students can have access to our Learning Support Centre, through the allocation of a Statement of Special Educational Needs by the Education Authority. A team of highly skilled and experienced staff put a range of support strategies in place to ensure that each individual is given every opportunity to progress and learn.

# HEALTH & WELLBEING

The Health and Wellbeing of students and staff is enhanced by the availability of a School Nurse. Students may also request the services of the school counsellor. Whilst parental consent is not required for this service, parents will be informed of any safeguarding issues that may arise.

To promote Health and Wellbeing students are encouraged to make healthy decisions in all aspects of their lives both in and outside school.

The consumption of fizzy and high energy drinks during the school day is not permitted. Students who bring them to school will have them removed.

The PSHE programme aims to holistically develop the skills which will enable every student to make lifelong decisions and become responsible contributors to our evolving society.

The Drugs Education Policy and Sexual Health programme (Year 10 +) ensures that all students have the knowledge and skills to enable them to make safe and healthy lifestyle choices both during their time at school and in the future.

# SCHOOL MEALS

On site catering facilities provide students and staff with a range of healthy hot and cold food and drink choices during the school day.

Free school meals are available to some families through application to the Education Authority Free Meals Department. A Free School Meal ticket holds the value of £2.90. Please note that a maximum of one drink and one pastry item can be included for this price. Some items such as sandwiches and 'Grab Bags' can be ordered at breaktime for collection at lunch.

We will carry out this duty by providing a caring, supportive and safe environment, where each student is valued for his or her unique talents and abilities, and in which all our young people can learn and develop to their full potential. All staff, teaching and non-teaching, should be alert to the signs of possible abuse and should know the procedures to be followed. # MOBILE PHONE & DEVICES

Abbey Community College recognises mobile phones/devices as being an integral part of youth culture. However, the duty of care for each and every child in the school is paramount and this policy will attempt to weigh the balance between child protection and the safe use of mobile phones/devices in school. The following is a synopsis of the Policy; the full policy is available on the website or from the school office on request.

## DEFINITIONS

**Camera phone:** A mobile phone or device which can record still and/or moving images and audio recordings.

**Text bullying:** The use of text, picture or video clip to harass or bully another student either directly to their phone or spread to other phones or internet devices.

**Bluetooth/Infra-red:** Proximity transfer of information between phones using wireless or infra-red technology.

**Smart watches:** Watches that have the ability to do everything a mobile phone or device can do.

## MOBILE PHONE/DEVICES USE IN SCHOOL

- Students are permitted to carry mobile phones/devices into school, in their bags or internal blazer pocket.
- Abbey Community College does not accept responsibility for damage to, nor loss of, a mobile phone/device regardless of the circumstances.
- Mobile phones can only be used to make and receive calls up to 9.00am, during break time and at lunch time.

- Any student found to be up-loading recordings to the Internet depicting the College brand, or involving staff or children in school uniform, will be the subject of a disciplinary enquiry. The College reserves the right to suspend or expel a student for this action.
- The use of mobile phones/devices is strictly prohibited in the examination hall. This means they should be switched off and handed to the Invigilator. According to exam regulations, if students are found with mobile phones/devices they run the risk of being disqualified from public examinations.

## GUIDELINES ON ADHERENCE TO THIS POLICY

- Students who use their mobile phones/device inappropriately in class will firstly be given a warning and asked to put it away.
- If a student continues to use their phone/device inappropriately in class he/she will have it confiscated until the end of the day. The phone/device will be sealed in an envelope and left in the school office.
- If a student refuses to hand over the phone/device the teacher will make a direct referral to the Head of Year.
- Where a student has used their phone/device inappropriately (taking photos, videos etc) the Head of School or Deputy Principal will be informed. The phone will be returned to the Parent/Guardian at an arranged interview.

- Serious inappropriate use of mobile phones/devices may result in the involvement of the PSNI or Social Services.

### **ADVICE TO PARENTS**
